The Honorable Rosa Delauro

House Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member Delauro:

I am requesting funding for the Morris Avenue Smart Traffic Light Project. The entity to receive funding for this project is the Township of Union located at 1976 Morris Avenue, Union, NJ 07083. The purpose of this project is to allow roadway officials to optimize traffic conditions on Morris Avenue in real time through the use of smart traffic lights. This is an appropriate use of taxpayer funds because it improves traffic flow, reduces congestion, and improves roadway safety with real-time smart technology.

This project has a federal nexus because it is for the purposes outlined in 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "LaMonica McIver".
