The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the West Orange Pump Station Improvement Project. The entity to receive funding for this project is the Township of West Orange located at 66 Main Street, West Orange, New Jersey 07052. The requested funding would support a project to upgrade the Short Hills Pump Station that serves the Township of West Orange, ensuring better water quality standards for all residents. The project site is located at 111 Old Short Hills Road, Short Hills, NJ 07078, in New Jersey's 11th Congressional District; however, this project serves residents in New Jersey's 10th Congressional District. This is an appropriate use of taxpayer funds because it upgrades essential infrastructure to enhance water quality and ensure reliable service for the community.

This project has a federal nexus because it is for the purposes outlined in Section 1452 of the Safe Drinking Water Act, and the list of project options is found within 40 CFR 35.3520(b)(2)(i-vi).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "LaMonica McIver".
