The Honorable Rosa Delauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member Delauro:

I am requesting funding for the The City of Orange Township Street Water and Sewer Main Replacement in Fiscal Year 2026. The entity to receive funding for this project is the Township of Orange located at 29 North Day Street, Orange, New Jersey 07050. This project would provide long-term stabilization of aging water and sewer infrastructure, preventing system failure. This project is an appropriate use of taxpayer funds because it will ensure consistent and reliable clean water access to residents and local businesses.

This project has a federal nexus because it is for the purposes outlined in the Clean Water Act, 33 U.S.C. 1383(c) (Section 603(c) of the Clean Water Act).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "LaMonica McIver".
