The Honorable Rosa Delauro  
Ranking Member  
House Committee on Appropriations  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member Delauro:

I am requesting funding for The City of Orange Township Drinking Water Main Relocation in Fiscal Year 2026. The entity to receive funding for this project is The City of Orange Township located at 29 N Day St, Orange, NJ 07050. The funding would be used to relocate and secure a critical 20-inch drinking water transmission main currently exposed in the Rahway River. The project is an appropriate use of taxpayer funds because it ensures safe and uninterrupted potable water service to City of Orange Township residents.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "LaMonica McIver".
