Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Historical Preservation and Housing Project. The entity to receive funding for this project is the City of Newark, located at 920 Mayor Kenneth A. Gibson Blvd, Newark, NJ 07102. The requested funding would rehabilitate the façade of a historical building and support the local economy with 62 new housing units. This is an appropriate use of taxpayer funds because it unifies the goals of historic preservation and future economic security, adding to the local housing supply while creating revitalized community spaces in a historic neighborhood.

This project has a federal nexus because it is for the purposes outlined in 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "LaMonica McIver".
